GENERAL INFORMATION

Ideal for transplanting young seedlings, newly-set cuttings, and turf sod. Provides extra water soluble phosphorus to help stimulate root development. Excellent whenever tissue tests indicate the need for extra phosphate.

DIRECTIONS FOR USE

General Use: 3 – 10 lbs per acre. Use this product as a foliar application to supplement the normal soil applied fertilizer program. Can be applied by aircraft at rates equivalent to 1 lb. to 1 gal. of water per acre. For back-pack sprayers use at the rate of 4 teaspoonful per gallon. For transplanting dissolve 5 lbs per 100 gallons of water.

Balanced nutrition is essential to optimum plant growth and yield. The addition of CNI AgriMinerals **Energy Booster**, a special blend of EDTA Chelated micronutrients and other nutritional components, can help to supply key micronutrients needed to achieve top performance. The recommended rate of **Energy Booster** should be used as shown on its label.

COMPATIBILITY: **CHEM-SOL EARLY SEASON PREMIUM** is compatible with most pesticides commonly used on row crops including **Glyphosate** applications. Do not use with highly alkaline spray materials. Add **CHEM-SOL EARLY SEASON PREMIUM** to the spray tank when it is at least half full. Agitation is suggested to increase the speed of solubility.

Caution: Keep out of reach of children and animals. This and similar fertilizers are harmful if swallowed, and may cause skin irritation. Avoid breathing dust, and contact with skin. Wash thoroughly and change to clean clothing after handling. Avoid getting on concrete walks to prevent staining.

Notice of Warranty: CNI AgriMinerals LLC warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of **CNI AgriMinerals LLC**. In no case shall **CNI AgriMinerals LLC** be liable for consequential, special or indirect damages resulting from the use or handling of this product. All such risks shall be assumed by the buyer. **CNI AgriMinerals LLC** MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.
